📍 Ethiopia, Addis Ababa

EDUCATION

- 2009-2016

Learn at muka kule primary school

- 2016-2020/2021

Learn at fitche secondary school

. 2020/2021

Completed grade 12 and took national exam
.2021/2022

joined Addis Ababa university and
currently I am studying software engineering at
Addis Ababa university

SKILLS

- website development in
html,css,js, node.js,nest.js
- python language
- java language
- Teamwork
- Mysql
- packet tracer
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- Amharic (Fluent)
- Afan Oromo (Fluent)

PROFILE

I am a dedicated and passionate Software Engineering student at Addis Ababa University with a strong academic background and a deep enthusiasm for technology. Since Grade 2, I have consistently ranked at the top of my class, demonstrating a strong commitment to learning. My passion for technology led me to pursue software engineering, where I have developed proficiency in programming languages such as Java, Python, HTML, CSS, JavaScript, Node.js, and NestJS. With a CGPA of 3.75, I am committed to academic excellence and continuous learning. I am eager to apply my skills to real-world challenges and make a meaningful impact in the tech industry.

WORK EXPERIENCE

1. Developed fully responsive websites based on Figma designs, ensuring seamless user experience across all devices.
2. Implemented front-end and back-end functionalities using modern web technologies, including HTML, CSS, JavaScript, Node.js, and Nest.js.
3. Optimized website performance, accessibility, and SEO best practices.
4. Java Note App: Collaborated with a team to develop a Java-based note-taking application, implementing essential features like creating, editing, and organizing notes.
5. Library Catalog Application: Worked with a team to build a library catalog system in Java, enabling efficient book management, search functionality, and user-friendly interaction.
6. Mobile App Development (Ongoing): Currently taking a mobile application development course, working on different projects with a team to design and develop interactive and user-friendly mobile applications.
7. Graphics Design (Ongoing): Learning and applying graphics design principles, collaborating on various creative projects that enhance visual presentation and UI/UX design.
8. Gained hands-on experience in teamwork, problem-solving, and agile development methodologies.
9. I have completed a Data Structures course, which has strengthened my problem-solving skills. I excel at collaborating with teams to tackle challenges with patience and determination.

CERTIFICATES

Introduction to Packet Tracer

For completing the Cisco Networking Academy® Introduction to Packet Tracer course.

Fenet Beyene

Student

School of Information Technology and Engineering (SITE), Addis Ababa University

Academy Name

Ethiopia

Location

30 Mar 2024

Date

Laura Quintana
VP & General Manager, Cisco Networking Academy

CERTIFICATE OF COMPLETION

Presented to

Fenet Abilu

For successfully completing a free online course
Introduction to Web Designing

Provided by

Great Learning Academy

(On November 2024)
